End-User License Agreement

1. **NIBIB** hereby grants and the **Recipient** accepts, subject to the terms and conditions of this **Agreement**, a term limited, royalty-free, nontransferable, nonexclusive internal license to use the **Software** for research and educational purposes only**,** as hereinafter defined with no provision for support, in order to conduct research and develop processes, methods, or marketable products for public use and benefit.

2. The **NIBIB** reserves the right to distribute the **Software** for any purpose and to use it for any U.S. Government purpose. The **NIBIB** shall not be limited in future claims, publications, or distributions of the **Software** or modifications or versions thereof, or related information. No copyright to the **Software** is claimed by the United States Government in the United States under Title 17, U.S. Code.

3. **THE SOFTWARE MAY NOT BE USED FOR TREATING OR DIAGNOSING HUMAN SUBJECTS OR HUMAN PATIENTS**.

4. The **Recipient** agrees that its use of the **Software** will comply with all applicable **NIH** regulations and guidelines.

5. <u>Use the Software in the United States</u>. The **Recipient** agrees not to use the **Software** for research involving human subjects, material isolated or derived from human subjects, or clinical trials without complying with <u>21 C.F.R. Part 50</u> and <u>45</u>.

6. <u>Use the Software outside of the United States</u>. The **Recipient** agrees not to use the **Software** for research involving human subjects or patients, material isolated or derived from human subjects or patients, or clinical trials outside of the United States without: (**i**) notifying the **NIBIB** in writing, of such research or trials, and (**ii**) complying with the applicable regulations of the appropriate national control authorities. Written notification to the **NIBIB** of the **Recipient's** desire to use the **Software** in research involving human subjects, material isolated or derived from human subjects, or clinical trials outside of the United States shall be given no later than *sixty (60) days* prior to commencement of such human subjects research or clinical trials.

7. The **NIBIB** makes no representations and extends no warranties of any kind, either express or implied, or statutory, including, but not limited to, any warranty that the **Software** will conform to specifications, any implied warranties of merchantability, fitness for a particular purpose or that the use of the **Software** will not infringe any patent, copyright, or trademark, or any warranty that the documentation will conform to the program or that **Software** will be error free or other rights or any other express or implied warranties.

8. In no event shall the United States Government be liable for any damages, including, but not limited to direct, indirect, special or consequential damages, arising out of, resulting from, or in any way connected with the performance or breach of this license, whether or not based upon warranty, contract, tort or otherwise, whether or not injury was sustained by persons or property or otherwise, and whether or not loss was sustained from, or arose out of the any use, results or disposition of, the **Software** or services provided hereunder.

9. The **Recipient** agrees to waive any and all claims against, and to indemnify and hold harmless the U.S. Government, its employees, students, fellows, agents, consultants, contractors and subcontractors for any damage that the **Recipient** may incur from the **Recipient's** prior or future use of the **Software**, including any damages resulting from products based on results from the use thereof. The **Recipient** agrees to obtain this identical waiver of claims, indemnification and hold harmless agreement from any entities that are provided with technical data derived from the use of the **Software**.
